

CONSOLIDATED VERSION
THE CORPORATION OF THE CITY OF COURTENAY

BYLAW NO. 2569

**A bylaw to provide for the regulation, operation, and maintenance
of the City of Courtenay Municipal Cemetery**

The Council of the Corporation of the City of Courtenay in open meeting assembled, enacts as follows:

This bylaw may be cited for all purposes as the “Cemetery Management Bylaw No. 2569, 2009”.

1. In this bylaw, unless the context otherwise requires:

BL2679 **“Act ”** means the Cremation, Interment and Funeral Services Act, S.B.C. 2004, C.35 administered by the Administrative Authority, as may be amended or superseded from time to time and all regulations made there under.

“Caretaker” means the person or persons duly appointed or employed by the Corporation from time to time as Caretaker or Caretakers of the cemetery or cemeteries of the Corporation of the City of Courtenay.

“Cemetery” means and include any parcel or tract of land set aside, used, maintained or operated as a cemetery by the Corporation of the City of Courtenay.

“CIFSA” means the *Cremation, Interment and Funeral Services Act, S.B.C. 2004, C.35* administered by the Administrative Authority, as may be amended or superseded from time to time and all regulations made there under.

“City” means the City of Courtenay.

“Columbarium” means a structure or building or an area in a structure or building, that contains, as an integral part of the structure or building or as freestanding sections, Niches for the entombment of Cremated Remains.

“Corporation” means the Corporation of the City of Courtenay.

“Council” means the Council of the Corporation of the City of Courtenay.

“Cremated Remains” means the remains resulting from cremation of a deceased human body.

“Director of Financial Services” means the person duly appointed as such from time to time by the Council.

BL2679 **“Disinterment”** means the removal of Human Remains along with the casket or container, or any remaining portion of the casket or container holding the Human Remains, from the Lot in which the Human Remains had been interred.

“Director of Legislative Services” means the person duly appointed as such from time to time by the Council.

“Mayor” shall include the Acting Mayor.

“Medical Health Officer” means the person duly appointed from time to time to act as Medical Health Officer for the Corporation of the City of Courtenay.

“Niche” means a space, usually within a Columbarium, designed for the entombment of cremated remains.

“Non-Resident” means any person who does not live within the municipal limits of the City of Courtenay, the Town of Comox or within the boundaries of Electoral Area ‘B’, Comox Valley Regional District, except that a person who at the time of death was the owner as defined in the Municipal Act of Real Property within the City of Courtenay, Town of Comox, or the Electoral Area ‘B’ of the Comox Valley Regional District would for the purposes of this bylaw be considered a resident.

BL2614 **“Scattering”** means the non-recoverable dispersal of cremated remains over a body of land or water within a defined area of a cemetery.

BL2614 **“Scattering Garden”** means a designated area where cremated remains that have been removed from their container, can be mixed with or placed on top of the soil or ground cover.

The use of words signifying the masculine shall include the feminine.

2. The following lands owned by the Corporation have been set aside and used for cemetery purposes:

Courtenay Civic Cemetery
legally described as being:
Lot 2, Section 18, Comox District, Plan 8920

3. A copy of the plans of the cemetery shall be filed with the Director as defined under the Business Practices & Consumer Protection Act, in accordance with the CIFS, and copies

shall also be kept available for public inspection in the municipal office and at such other places as may be deemed necessary.

Licence to use the Cemetery

4. The Council may grant to any person paying the fees therefore, according to the scale of fees hereinafter provided, a licence for the exclusive use by him, or his executors or administrators, of any one or more grave spaces which may be vacant and unlicensed in the cemetery, and upon payment of said fee therefore, such person or persons shall be entitled to receive a licence in the form of Schedule “A” attached hereto and forming part of this bylaw. A licence does not vest in the holder any title or interest in the land or Lot but instead provides for the right to inter the person named on the licence.
5. The Council reserves to itself the right to refuse to sell the use of more than two grave spaces, ash plots and niches to any one individual.
6. (1) If the holder of a licence to use and occupy grave space in the cemetery shall at any time desire to dispose of or transfer to another person his right to use and occupy grave space in the cemetery he shall first furnish the Director of Legislative Services full particulars of the name, address, or other description of the person to whom such disposal or transfer is desired to be made, the consideration to be paid therefore and such other information as the Director of Legislative Services may reasonably request. The provision of such information shall not bind the Corporation to accept or permit the proposed transfer.

(2) Upon receipt of the transfer fee prescribed in Schedule “B” to this bylaw and upon compliance with the requirements of this bylaw by the licence holder and the person to whom the licence is to be transferred, the Director of Legislative Services shall effect the desired transfer by an endorsement upon the licence to that effect and shall record the same in the books or other records kept by him for that purpose.
7. All licences issued for use of grave space in the cemetery shall be subject to the provisions of this bylaw and all bylaws now or hereafter to be passed by the Council.

Fees and Charges

8. (1) The fees for interment, disinterment, use of grave space, and care of graves, and the charges for goods offered for sale by the Corporation for use in the cemetery, and any other cemetery fees shall be those set out in Schedule “B” attached hereto and forming part of this bylaw.

(2) The fees set out in Schedule “B” to this bylaw shall be paid in advance at the Corporation’s office at the time of application for a licence.

Size of Grave Spaces

Permission to Inter, Exhume and Cremate

10. All permits for interment of deceased persons in the cemetery shall be in the form of Schedule “A” attached hereto and forming part of this bylaw.
11. All applicants for a permit to inter in the cemetery must be made to the Director of Legislative Services at the Corporation’s offices between the hours of 8:30 a.m. and 4:30 p.m. on all days of the week except Saturday, Sunday, Statutory Holidays, and in cases of emergency as described in Section 14.
12. Any person who makes application for an interment permit or who requires an interment to be made, shall provide the Director of Legislative Services with a statement of the name, age and date of death of the deceased, whether or not death was caused by a communicable disease as listed in Part 4 of the “Regulations for the Control of Communicable Diseases” made under the “Health Act”, the time and date of the funeral and any other information which it is reasonable for the Director of Legislative Services to request.
13. (1) Where the Health Officer directs, pursuant to the “Regulations for the Control of Communicable Diseases” or otherwise, that a body be buried in the cemetery during any period when the Corporation’s offices are closed, permission to inter in the cemetery shall be obtained from the Public Works Manager or Director of Legislative Services-Administrator.
- (2) Where a burial in the cemetery is performed under the conditions of subsection (1), the person who permitted the burial and the person who performed the burial shall report the matter to the Director of Legislative Services with full details of the deceased as required by Section 13 hereof, together with such fees as may be required in accordance with “Schedule C”, if such fees have not already been paid.
- (3) The information required to be given to the Director of Legislative Services under the terms of subsection (2) of this section shall be provided to the Director of Legislative Services as soon as after such interment as the Corporation’s offices are open.

14. Pursuant to Section 16 of the CIFSA a cemetery must not exhume or disinter human remains or cremated remains until:
- a. the Director of Legislative Services receives a written request from the person who has control of disposition of the remains of the person interred as provided in the Act;
 - b. approval of the exhumation by the Administrative Authority is received by the Director of Legislative Services;
 - c. the Director of Legislative Services has issued a permit;
 - d. all applicable fees have been received by the Manager of Corporate Administration
 - e. This Bylaw, the Act, and any other applicable legislation have been fully complied with.

(1) In addition to the conditions under section 14, in the case of a person who at the time of death was known to have had an infectious or contagious disease, the Manager of Corporate Administration will give written notice to and receive approval from the Medical Health Officer before issuing a valid disinterment permit.

(2) The City will exercise due care and attention when conducting a disinterment, but is not responsible for any damage to any casket, urn or other container or human remains sustained during the disinterment.

(3) The City's responsibility with respect to disinterment or exhumation will end at the point where the soil is sufficiently excavated to permit access to the remains for removal by the attending funeral provider employed at the expense of the Interment Right Holder or their successors.

15. It shall be unlawful for any person to cremate or bury a deceased person within the limits of the City, save and except as authorized under the terms and conditions of the CIFSA and the regulation made there under.

Interment in the Cemetery

16. No body, other than a deceased human body, or the cremated remains or other remains of a deceased human body shall be interred in the cemetery and all interments shall be subject to and comply with the provisions of this bylaw.
17. The holder of a licence to use and occupy grave space in the cemetery shall not allow or permit an interment to be made in the grave space to which the licence refers, nor shall he transfer or dispose of the said grave space to another person, group or organization unless such interment, transfer, or disposal shall be made pursuant to and subject to the provisions of this bylaw.

18. (1) Where the body of a person who died while suffering a communicable disease is to be buried in the cemetery, any instruction given by the Health Officer respecting the interment shall be fully and carefully followed by those who perform the interment.

(2) Where the body delivered to the cemetery for interment is subject to direction of the Health Officer under the terms of Part 4 of the “Health Act Communicable Disease Regulations” made under the “Health Act”, the person delivering the body to the cemetery shall inform the caretaker.

19. (1) Each interment in the cemetery other than the interment of cremated remains, shall be made in a grave dug to a depth sufficient to provide for not less than one metre (3') of earth between the upper surface of the casket or grave liner and the level of the ground surrounding the grave.

BL2772

(2)

(a) Two casket interments shall be allowed in each grave space, except in a child/infant grave space and grave spaces in the ‘Q’ and ‘S’ sections, where only one casket interment is allowed. No more than four (4) cremated remains may be permitted on any full size plot.

(b) One casket up to a maximum size of 1.55m x 0.52m x 0.39m (61” x 20.5” x 15.5”) for the interment of a child or infant shall be allowed in each grave space in the ‘Q’ section. An additional two (2) cremated remains may be interred over the casket. Where the child or infant was cremated, an additional two (2) cremated remains for a total of three (3) cremated remains are permitted.

(c) No casket burial is permitted in a full size or child plot after cremated remains have been interred in the plot, unless it can be determined that the existing cremated remains were interred after June 2009 and encased in a proper commercial grade cremation vault that can be removed without disturbing the cremated remains.

(3) Where two interments are permitted in one grave space, and each interment is in respect to a body not in the form of cremated remains, the first body shall be buried in the grave at a lower depth than the second and each of the two burials in the grave shall conform to the requirements of subsection (1).

(4) Each cremation lot may hold up to two (2) cremated remains. Each interment of cremated remains in the cemetery shall be made in a container encased in a grave liner, and shall be buried in the grave not less than 0.6m (2') deep, except where the concrete encased container of cremated remains is used as a foundation base for a tablet memorial installed on the grave according to the requirements of Section 33.

(5) Each Columbarium Niche may hold up to two (2) cremated remains. Cremated remains placed in a Niche must be enclosed in a sealed container or urn constructed of permanent, durable material approved by the Director of Legislative Services.

(6) A precast concrete or fibreglass grave liner shall be used for each adult interment, except in the case of cremated remains interred according to the requirements of subsection (4) of this section, and except where a concrete or steel vault is used. Where a concrete liner is required, such liner shall be of reinforced concrete not less than 5.08cm (2") thick and shall consist of two side walls and two end walls and a cover sufficient to bridge the coffin over its entire length.

(7) A cremated remains grave space may be purchased as a memorial plot, upon presentation to the Director of Legislative Services of a copy of the Death Certificate, without a requirement for the interment of remains. All other provisions as contained within this Bylaw shall apply.

BL2614 (8) Scattering of cremated remains is permanent and non-recoverable and is permitted only in the designated locations and under the supervision of the Caretaker.

BL2614 (9) The interment of cremated remains is to be completed within 90 days of all fees being paid.

20. No person shall inter any body in the cemetery except between the hours of nine o'clock in the forenoon and three o'clock in the afternoon, unless written permission of the Director of Legislative Services is first obtained. There shall be a minimum of two (2) hours between scheduled burials including casket, in-ground cremations and niche wall interments.

21. No person shall inter any body in the cemetery on Saturday or Sunday, or on any statutory holiday unless written permission of the Director of Legislative Services is first obtained, except in the emergency conditions as specified in Section 13 hereof.

22. Families may request permission to witness the interment process at the cemetery subject to the following criteria:
 - a. A request to witness the interment must be communicated to the Director of Legislative Services when confirming interment date and time.
 - b. The City will not be held liable for any injury to members of the public that are attending or witnessing an interment process.
 - c. All proceedings at the interment site shall be under the sole direction of the Caretaker.
23. No grave shall be dug, or opened by any person other than the caretaker or other person duly authorized by him, or by the Director of Legislative Services.
24. Upon approval of the Director of Legislative Services a licence may be reclaimed by the City if:
 - a. the Licence Holder would be at least 90 years of age;
 - b. the minimum period of 50 years has elapsed from the date of purchase;
 - c. a minimum 90 days has passed since notice of intent to reclaim has been sent to the Licence Holder;
 - d. the City has made diligent attempts to contact the Licence Holder.

Cemetery Caretaker

25. A cemetery Caretaker may be appointed by the Council, and the duties of a caretaker so appointed shall among other things be:
 - (1) To dig and prepare, or cause to be dug and prepared, all graves required to be dug whenever ordered to do so by the Director of Legislative Services, or the person acting for him.
 - (2) To install all memorial markers.
 - (3) Carry out, or cause to be carried out, the general work of the cemetery to maintain it in a neat and tidy condition, including the maintenance of paths, gates, fences, and other cemetery improvements.
 - (4) Maintain records as required and submit to the Director of Legislative Services whatever reports are required by him.
 - (5) Complete such other work as may be directed by the Director of Legislative Services.

Administration and Care Fund

26. The Director of Legislative Services shall maintain records as necessary to the administration and management of the cemetery and as required by the CIFSA.
27. The Director of Legislative Services is hereby authorized on behalf of the municipality to grant a licence in the form set out in Schedule “A” hereof in respect of any grave space in the cemetery, according to the scale of fees and charges specified in Schedule “B” of this bylaw and subject to the provision of this bylaw.
28. The Director of Legislative Services shall issue all permits for interment required by this bylaw, except as otherwise provided.
29. Upon issuing any permits for interment in the cemetery, or upon receiving an order for exhumation from the property authority as required by Section 15 hereof, the Director of Legislative Services shall notify the Caretaker before the time of the intended interment or exhumation giving the name of the deceased, the number and location of the grave space concerned and any instruction of the Health Officer relative to the interment or exhumation.
30. (1) A fund shall be established to be known as “The Cemetery Care Fund” and such fund shall be administered in accordance with the requirements of the regulations made under the CIFSA for the establishment and administration of a Municipal Cemetery Care Fund and in accordance with the procedures hereinafter set out.

(2) A bank account shall be established to be known as “The Cemetery Care Fund Account” into which the Director of Financial Services shall pay all funds received for Care Fund purposes and all such funds shall be deposited in said account, and there held pending investment as hereinafter provided.

(3) On all licences for use of grave space sold, the Director of Financial Services shall pay into “The Cemetery Care Fund Account” from the amount received for each licence sold at the fee specified in Schedule “B” hereof.

(4) On all licences for the use of grave space, and on all contracts or agreements for the sale of such licences, the amount required to be used for Care Fund purposes shall be specified, provided that the amount so specified shall not apply to grave space made available by the Corporation free of charge for indigent burial.

(5) Any owner of a memorial tablet, desiring to install same in the cemetery shall pay to the Director of Legislative Services prior to the installation of such memorial the amount outlined in Schedule “B” of this bylaw, as a contribution to the “Cemetery Care Fund”, and such amounts when received shall be paid to the Director of Financial Services into “The Cemetery Care Fund Account” for investment as hereinafter provided.

(6) Investment of funds received for Care Fund purposes shall be made as required by the regulation under the CIFSA applicable to Municipal Cemetery Care Funds.

(7) The income from the "Cemetery Care Fund" including any appreciation thereof, shall be used for the sole purpose of upkeep and maintenance of the property licenced and the cemetery of which it forms part, and the original principal sum of such fund as established from time to time, as hereinbefore provided, shall be maintained at all times.

31. A separate account of all monies received under the provisions of this bylaw and of all monies expended hereunder shall be kept by the Director of Financial Services.

Memorials

32. (1) No person shall place on any grave space in the cemetery a memorial marker, until an amount as outlined in Schedule "B" of this bylaw has been paid to the Director of Legislative Services for Care Fund purposes in respect to each memorial, which it is desired to install. All memorials shall only be placed, installed or removed by the Caretaker or other person authorized by the Director of Legislative Services.

(2) Installation of memorials shall occur during regular business hours. Installations will be made as soon as possible after delivery of the memorial to the cemetery and timelines may vary depending on scheduling issues, weather conditions and ground conditions.

(3) The City shall not be held liable for, or be obliged to repair, any breakage or damage to any memorial in the cemetery, except as shall arise as the result of the negligence of the Caretaker.

33. A memorial may be installed on a grave in the cemetery subject to the requirements of Section 32 hereof and subject to the following:

(1) Such markers shall be rectangular in shape and shall be set on a base of similar size. The finished top surface of the marker must be flat and set level and flush with the surface of the surrounding ground.

BL2679

(2) Markers must be made of granite or bronze. Bronze markers shall be attached to a granite base not less than 10.16cm (4 inches) thick with side surfaces true and perpendicular with the top surface of the attached bronze marker. Handmade markers shall not be permitted on any grave space.

(3) Each marker other than bronze shall be a minimum thickness of 7.62cm (3 inches) and shall have its side surfaces true and perpendicular with its top surface.

BL2772

(4)

(a) Markers shall measure as follows:

On single graves: maximum 40.64cm x 71.12cm (16" x 28")

On child/infant graves: maximum to 30.48cm x 50.80cm (12" x 20")

On cremation graves: maximum to 30.48cm x 55.80cm (12" x 20")

(b) Where two related persons are buried side by side in adjacent graves, excluding cremation graves, one marker up to 45.72cm x 76.20 cm (18" x 30") which provides for the memorialization of both persons may be used instead of two markers, provided the single marker is set evenly between the two graves.

BL2700

(5) One upright memorial may be installed one each adult grave space in designated sections of the cemetery more commonly referred to as the 'U' Section. In the case of a side by side family plot, the memorial may be placed between the two plots.

(a) Upright memorials shall be made of granite and not exceed the dimensions of:

Single Plot: 60.96cm (24") in height x 76.20cm (30") in length x 15.24cm (6") in thickness on a base that is 30.48cm (12") in width x 91.44cm (36") in length x 15.24cm (6") in thickness.

Double Plot (side by side burial): 60.96cm (24") in height x 91.44cm (36") in length x 15.24cm (6") in thickness on a base that is 30.48cm (12") in width x 106.68cm (42") in length x 15.24 cm (6") in thickness.

The memorial may have either polished or rough edges. The base shall have "rock pitched" sides.

(b) Installation of upright memorials shall be performed by the memorial company that manufactured it and shall be attached to the foundation supplied by the City.

(c) A person must not attach any fixture or other thing to the memorial or the base that it rests on.

(d) Upright memorials are the property of the Rights Holder, or the deceased descendants and required care or repair is the responsibility of the aforementioned.

(6) All markers shall be placed so that the inscriptions or writings thereon shall be readable from the pathways.

BL2679

(7) Bronze plaques for columbarium niche memorials shall be supplied and installed by the City to conform to the approved design and specifications of the applicable section of the Cemetery as established by the City. Only one niche memorial may be permitted to be installed on any one niche.

Special consideration may be given for niche memorials of decedents who honourably or professionally served in protecting our Country and community and the appropriate agency approves the design and funds a portion of the plaque. Niche memorial enhancement fees may apply for special consideration memorials and are due at time of order.

BL2614

(8) Porcelain memorial portraits are permitted on niche fronts provided they are supplied and installed by the City and conform to the approved design and specifications as established by the City. The photo must be of the person(s) who are named on the niche and must be approved by City. The photo must be in a traditional portrait style in black and white or colour. One memorial photo sized either 5.7cm x 7cm or 6.7cm x 8.6cm is allowed per niche. Two memorial photos each sized 4cm x 6cm is allowed per niche. The placement of the memorial photo(s) shall be placed at the top of the niche front above the bronze plaque centred accordingly.

BL2614

(9) Scattering board memorials shall be engraved on a 3" x 4" bronze plaque supplied and installed by the City to conform to the approved design and specifications of the applicable section of the Cemetery as established by the City.

BL2679

(10) Memorial boulders shall be supplied and installed by the City. Availability, placement and location will be at the discretion of the City. Scattering of cremated remains in areas determined by the City shall be permitted. Memorial boulders may be purchased as a memorial only.

All memorial boulders shall have affixed a bronze plaque measuring 4" x 6". Up to two (2) plaques may be allowed per memorial boulder subject to its size and shape. The plaques shall be supplied and installed by the City to conform to the approved design and specifications of the applicable section of the cemetery as established by the City. Porcelain memorial portraits may be permitted subject to the shape and surface of the memorial boulder. Additional fees may apply and are due at time of order.

- BL2614 34. No grave, grave space, niche space or memorial garden shall be defined by a fence, railing, coping, curbing, hedge except a memorial marker as set out in Section 33.
35. The Licence Holder, or the deceased's descendants, is required to keep in proper repair, at their expense and to the satisfaction of the City, all memorials upon their lot. Should any memorial in the cemetery fall into a state of disrepair, then the Director of Legislative Services will document the condition and have the Memorial removed from the cemetery, in each case at the expense of the lot holder or their successors.
36. The Director of Legislative Services may refuse to issue a licence to the applicant if the applicant has failed to comply with the requirements of this bylaw. The Director of Legislative Services may reject memorial, despite the prior issuance of a cemetery licence, when the memorial does not comply with the specifications in this bylaw, is not in keeping with the standards of the cemetery, or contains epitaphs deemed inappropriate by the Director of Legislative Services, including reference to pets.
